

RAWAT PUBLICATIONS is one of the leading independent publishing houses in the Indian subcontinent with focussed academic publishing in Social Sciences and Humanities. More than four decades old, RAWAT continues its established tradition of publishing good books for the furtherance, acquisition, betterment and dissemination of knowledge in subjects like sociology, social work, anthropology, women studies, political science, public administration, geography, environment, literature, diaspora and economics.

With over 2,100 published titles and an ever-expanding publishing programme, we have equally concentrated ourselves on worldwide promotion, sales and distribution network to reach out to a wide range of academic and professional readers. We look forward to discuss new projects with potential authors and welcome suggestions on our published works.
